

ICKM-2013

International Conference on Knowledge Management
November 1-2, Montreal, Canada

CALL FOR PAPERS & PRESENTATIONS

The International Conference on Knowledge Management (ICKM) provides researchers and practitioners from all over the world a forum for discussion and exchange of ideas concerning theoretical and practical aspects of Knowledge Management. Since the first ICKM was held in Singapore in 2004, subsequent conferences have been held in Charlotte, North Carolina, U.S.A. (2005); Greenwich, London, U.K. (2006); Vienna, Austria (2007); Columbus, Ohio, U.S.A. (2008); Hong Kong (2009). Pittsburgh (2010), and South Africa (2012). The 9th International Conference on Knowledge Management will be hosted by the American Society for Information Science and Technology and will be held in conjunction with ASIST annual meeting, which is scheduled for November 2-6, 2013. The main theme for ICKM2013 is “*Knowledge Management Metric, Performance Measurement; Capacity Building and Certifications.*” ICKM 2013 encourages submission of high-quality research papers, case studies, country reports, posters and oral presentations areas that include but are not limited to the following:
