

ASIST SIG USE Symposium in Second Life on ASIST Island

Saturday, November 7, 2009 1:30-6 pm SLT/PST

Conference site: <http://slurl.com/secondlife/ASIST%20Island/84/132/27>

Paste the SLURL into a Web browser to login and teleport to the location.

Join us for New Avatar Orientation before the Symposium to quickly learn the ropes in order to attend the symposium in SL. It will be a great benefit for those who cannot travel and for the speakers in case they want to be present as an avatar.

New avatar orientation: 12:30-1:15 pm SLT/PST

Orientation site: <http://slurl.com/secondlife/ASIST%20Island/168/70/25>

Get a Second Life Account:

- 1) Registering for a free SL account requires name and email. Go to <https://join.secondlife.com> or use the convenient procedure set up for academics through this Web site: <http://virtualability.org/signup.aspx> (You may skip the Assistive Technology and Information Request pages)
- 2) Think carefully about choosing your avatar name, it cannot be changed; although you can create multiple avatars.
- 3) You get your account and avatar immediately upon registering. You can then download the free Second Life client software.

After downloading the SL client you can login for the first time. You will land at the Orientation area on Virtual Ability Island.

- 4) Teleport immediately to ASIST Island by clicking or pasting this link into a Web browser. It opens a Web page with a Teleport button that takes you directly to the ASIST Island SIG USE building for New Avatar Orientation at 12:30 pm SLT/PST
